NCC 2014

20th NATIONAL CONFERENCE ON COMMUNICATIONS

28th February - 2nd March 2014
Indian Institute of Technology Kanpur, Kanpur (INDIA)

CALL FOR PAPERS

The Twentieth National Conference on Communications (NCC-2014) will be held at Indian Institute of Technology Kanpur, during 28th February - 2nd March 2014. The conference will feature three symposia in the following areas:

COMMUNICATIONS

* Communication Theory and Systems
* Information Theory
* Coding Theory and Practice
* Wireless & Mobile Communications
* Broadband Wireless Access
* Satellite Communications
* Network Information Theory
* Cooperative Communications
* Cognitive Radio
* Optical Communications
* RF & Microwave Communications
* Antennas and Propagation
* VLSI for Communications
* Smart Grid Communications
* Green Communications

NETWORKS
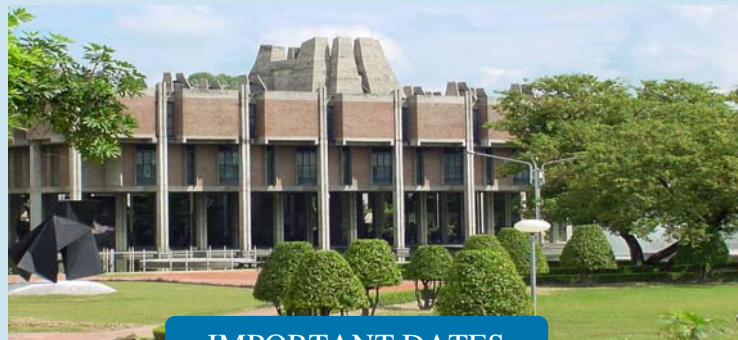

* Next Generation Networks
* Optical Networks & Systems
* Wireless & Wireline Networks
* Ad hoc & Sensor Networks
* Underwater Wireless Networks
* Vehicular Networks
* Networks & Information Security
* Network & Services Management
* Performance Analysis
* Complex Networks
* Network Interoperability
* Biological Networks
* Social Networks
* Network Testbeds

SIGNAL PROCESSING

* Signal Processing for Communications
* Detection & Estimation
* Image & Video Signal Processing
* Computer Vision
* Multimedia Applications
* DSP Algorithms & Architectures
* Speech & Audio Processing
* Biomedical Signal Processing
* Language Identification
* Machine Learning
* Pattern Analysis & Classification
* Large Dimensional Signal Processing
* Compressive Sensing
* Sparse Signal Recovery

PAPER SUBMISSION

The paper length must not exceed SIX A4 size pages with 10 point font in standard IEEE conference format. For publication in conference proceedings, atleast one author of an accepted paper must register for the conference with full registration fees at the time of uploading of the camera ready paper with the deadline. One full registration will cover upto three papers. Each of the symposia will feature a best paper award. Accepted full papers will be submitted for inclusion in IEEE Xplore.

IMPORTANT DATES

Paper Submission Deadline: October 27, 2013 (Hard Deadline)
Acceptance Notification: January 15, 2014
Camera-ready Paper due: January 31, 2014
Author Registration Deadline: January 31, 2014
